

# WARDROBE WARS

Wardrobe Wars is a daily fashion and style contest with 8 women and their wardrobes competing against each other.

The women and their wardrobes are brought together under one roof where they must live together. Every other day, a new theme is announced. They must use only their existing wardrobe to put together their best outfit for the theme. There are three judges who decides on that week's winner. Whoever wins, gets to go shopping the next day with their prize money of \$1000, or they can keep the cash. The winning wardrobe of each week gets \$10,000 while the least stylish girl will be eliminated and a new girl takes her place.
